

Authorization – Non-Parent/Guardian to Accompany Patient

Periodically there may be times when you are unable to bring your child to the office for an appointment and need to rely on a family member or friend. We understand these circumstances; however, we must have a written authorization letter allowing this person to accompany your child(ren). **The person bringing your child will need to present a photo identification at time of service.**

This authorization gives the person permission to bring your child in, speak to the doctor, given authorization for treatment, vaccinations, medication, certain procedures and make general health decisions.

I, _____, give the person(s) listed below permission to bring my child to Childrens Dentistry of Texas (CDOT) and to discuss and share medical information about my child. I further authorize them to see all necessary medical records and make health care decisions of a routine nature as determined at the sole discretion of the CDOT provider.

I also give them authority to make more serious or urgent health care decisions in the event I cannot be reached or where it is of an emergency nature where there is not sufficient time to seek out my specific consent.
